AMENDMENT

TECHNOLOGY CENTER R3700

In response to the action mailed 5/24/02, please amend the application as follows:

In the claims:

Please cancel claims 2 and 22.

Please amend claims 1, 3 and 7 as follows:

1. An oral care device, comprising:

particulate;

a toothbrush including a head and one or more bristles extending from the head;

a handle from which the head extends;

a conduit for supplying water, said particulate and pressured air to the head such that the water, particulate and pressured air can be sprayed onto the teeth from the head to enhance cleaning, wherein the handle includes a switch for controlling the flow of water, said particulate and pressured air to the head.

3. The oral care device of claim 1, wherein the conduit is at least partially within the head.

7. An oral care device, comprising:

a housing;

an electric motor within the housing;

an air compressor within the housing and operated by the motor;

a slurry;

an enclosed container, attached to the housing, for holding said slurry;

a first conduit for conducting compressed air from the compressor into the container; and

a second conduit for conducting the slurry and air from the container to an applicator from which the slurry and air is sprayed into the oral cavity of a human.
